## Beyond Snack Time

Using Alternative & Augmentative Communication (AAC) at home and school

Wednesday 30 May 2012

9.30am – 3.30pm at

PCAS - Claremont Primary School

This is a course for speech & language therapists, parents, school staff, therapists, nursery nurses etc – all those working with children who need & use augmentative and alternative means of communication. AAC refers to the use of signing, symbols & voice-output communication aids. The course will include the following:

- Overview of AAC as an introduction
- Practical ideas and strategies for implementing AAC at home and school, from Early Years to Secondary
- Case studies

**Cost £85 (parents £25) includes lunch**
