

January Newsletter

Welcome back to a new school term and 2013!

Classes are getting back to normal again after the excitement of Christmas and the integrated groups have changed again (timetable attached). If you have any questions regarding these groups please contact your child's teacher or therapist in the first instance and then either Ginny or myself if you still have any questions.

Devon County Council's 'Aiming High' Team have asked us to forward information about their half-term activities as spaces are limited they advise booking early if you are interested.

We are currently planning our annual Easter Parade again at the end of this term and anticipate that it will take place at some time during w/b 18th March 2013 but further details will follow in the next newsletter.

I believe I have already sent out a school planner attachment for January but if you require one, please email me at the address below and I will send one out to you.

Unfortunately our suppliers have had to increase the cost of the school sweatshirts from £9 to £11 each, the increased price will apply to all new sweatshirt orders.

At this time of year Parent Members are elected to sit on the Board of Governors, a communication from Colonel Wheeler is attached in this respect. Please consider standing for the role which involves attending three meetings a year, usually from 6.30 pm to around 8.00 pm on a weekday evening once a term.

Reminders:

Please don't forget to check all children's clothing and towels are labelled for swimming days. Swimming days might have changed for some children (please see timetable attached)

Class 1 are now going to ride the donkeys once a month on a Tuesday. (22nd Jan, 26th Feb, 26th March)
